Coastal communities grant revives hopes that town will get jetty back

HOPES for a jetty in Seaton have been revived with the announcement of a £90 million government grants scheme for coastal communities.

Town councillor Peter Burrows has been tasked with reviving a working party, and has opened the door for people with relevant expertise to join.

A jetty for Seaton has been part of different projects over the years, including the Jurassic Coast Waterborne Transport Study and the application for Seaton

by Anders Larsson
anders@viewnews.co.uk

to become a 'Portas Pilot Area' (when grants were available from the Department for Communities and Local Government to boost specific towns).

A jetty is also among suggestions made in a public consultation for the ongoing Seaton seafront project involving the town council and Seaton Regeneration Board.

The importance of a jetty was stressed in the town council's application for 'Mary Portas money' a few years ago, which said: "A key part is to improve our seafront area and make more use of the opportunities on the beach and by sea.

"We are aiming to have a mobile jetty so that we can accept visiting boats, bringing more visitors to Seaton and help businesses."

A jetty is yet to materialise, but hopes were revived when the government announced a fresh injection to its Coastal Community Fund.

The first step would be to bid for a share of £200,000 to help set up a Coastal Community Team.

If such a bid is successful, the team can form plans and seek a share of £90 million of government funding available UK-wide over the next four years.

Communities Minister Mark Francois said: "Across our Great British coast, tourism is taking off and investment is

pouring in. In just a year, 118 Coastal Communities Teams have made waves, positively shaping the economic development of their local areas.

"But we don't want anyone with good ideas to miss out, which is why we're giving another 20 areas the chance to benefit.

"And with a further £90 million funding available over the next four years, there's plenty of cash available to help our coastline reach its potential."

The announcement was discussed when Seaton Town Council met on Monday, July 3rd where it was decided to form a working party to get the ball rolling.

Councillor Peter Burrows, who has been involved with jetty issues in the past, was tasked with getting a group together. He appeared less enthusiastic and

referred to previous jetty plans, saying: "You can't get funding for pie in the sky proposals."

Seaton Mayor Marcus Hartnell replied: "But you are happy to get momentum into it and perhaps look at something more realistic?"

Councillor Burrows replied: "Yes."

A few days later he told *Pulman's View* that one suggestion is a jetty towards the Chine, and another being at Fisherman's Gap.

Councillor Burrows moved to Seaton from St Albans but can remember a jetty at Fisherman's Gap 20 to 30 years ago when he holidayed in the town.

Anyone with relevant knowledge/expertise and an interest in joining the working party can e-mail Councillor Burrows at peter.w.burrows@btopenworld.com

“ I am delighted that STC have supported the additional option and I hope that the money is found to build the right option: the one that gives the best defence for Sidmouth and the best visual and amenity outcome for the beach. Robins fighting off the circling vultures

DESPITE rumours to the contrary, managerless Chard Town will start the 2016-17 season in the 22-team Toolstation Western League Division One.

Club chairman Lindsey Gage was quoted on the Club's Twitter page saying: "We would like to confirm that after a league club vote Chard Town FC will remain in the Toolstation Western League for the foreseeable future while the club progresses towards new ground facilities.

"In the meantime work is continuing to get a manager in place to take the club forward."

Anybody interested in the manager's position should call 07854 372712 for more information.

A lack of players does however appear to see the Robins' reserves team that was relegated from the Devon & Exeter League Premier division last season is almost certain to fold.

The club has been hit by the loss of a huge number of their squad who have headed off to play elsewhere following the resignation of first team manager Adam Fricker and assistant Jason 'Paddy' Behan who have taken up the reins at TWL Premier Division outfit Bridport.

HONITON

Town gets set for annual charter day

HONITON is gearing up to enjoy the town's oldest annual celebration – Charter Day.

Honiton has one of the largest markets in East Devon having been given this privilege by a royal charter that was signed more than 750 years ago.

The community-driven celebrations will see several days of events to mark the occasion, as the town comes together in colourful costumes along with traditional Tudor music and stalls, at the Traditional Market on the High Street on Saturday, July 23rd, as well as a charity market at Northcote Lane and a day of fun events and entertainment at Allhallowes Field run by the Honiton and District Lions Club.

The day will culminate with a special concert put on by Honiton Town Band at the Millennium Green, where attendees are encouraged to bring along a picnic blanket or seating to enjoy the concert and refreshments will be available as well as a raffle.

ILMINSTER

Top football award for club stalwart

AMAN who has played a key part in seeing Ilminster Town Football Club's hopes of having a new clubhouse and ground become a reality has been given a top award by the Somerset Football Association.

Darren Paul has received the Somerset FA's Outstanding Contribution to Community Football award having worked tirelessly over the last 18 months to achieve the successful building of the Archie Gooch Pavilion at Britten's Field in Ilminster, which has seen the club move from its previous HQ at the Recreation Ground..

From the editor's chair Strange smells and football shame

AFTER coming back from London to revive the fortunes of *Pulman's Weekly News* I was a frequent visitor to the Axe Vale Social Club in Chard Street, Axminster.

I played skittles there a few times, presented numerous cups over the years and attended fundraising events for the paper.

It was not the most salubrious of surroundings. It was a bit of a throw-back from the 1950s, but they always made me hugely welcome.

It was part and parcel of old Axminster and many mourned its demise a few years ago. It had a small but loyal following right to the end, enjoying live entertainment on Saturday nights and a lunchtime beer on Sundays.

The only smell that invaded the Axe Vale Social Club was that of beer and tobacco.

A tad different from the smell that lingered around the Chard Street premises recently. People would wander by, sniffing and ask: "What's that smell?" A few old hippies quickly recognised the stink and when police investigated they were amazed to find what has been said to be one of the largest cannabis farms ever discovered in the South West, spread over three floors. A man has been arrested and is currently on remand.

I have it on good authority that he was not a former member of the Axe Vale Social Club!

■ Like every other football fan I was embarrassed,

ashamed and angry over the manner in which our highly-paid and pampered footballers took an early bath from the European Championships after losing to Iceland.

Apparently, they are playing them again soon, followed by fixtures with Tesco, Aldi and Lidl. Don't put your money on them to win these either!

Once again we were shamed by the antics of some of our supporters early in the competition when they clashed with Russian thugs who turned up in Marseilles, not to watch football but for a fight.

I despair for football, the sport I have been around all my life, especially the professional variety.

At grass roots levels it is a different matter, although trying to get significant investment from the pathetic FA, who couldn't fill a bath if the tap was running, is more difficult than getting Jeremy Corbyn to resign.

The game at local level is peopled by football fanatics who give their life to the sport. I could name a hundred, those I admire and those I have worked alongside to provide football for generations of young people.

People like Darren Paul, from Ilminster, who more than deserves the honour bestowed upon him. He has received the Somerset FA's Outstanding Contribution to Community Football for his work in providing better facilities in the Somerset town. A true football man.

CREWKERNE

Brexit Protest held in Market Square

A GROUP of like-minded Crewkernians staged their own anti-Brexit protest on Saturday, July 2nd.

The London equivalent on that day attracted thousands of people to the capital, the Crewkerne version in the Square being a slightly smaller affair.

It was organised by Dave Longly in his capacity as a resident, so was not the work of a pressure group or political party..

Participants met in Market Square with placards "in solidarity with our European neighbours" and a European flag at the same time as the March for Europe in London.

OTTERY ST MARY Anger at West Hill boundary proposal

EAST Devon District Council have released an image of what the recommended boundary for West Hill could be – leaving campaigners for the village's independence angry.

A bitter divorce has been ensuing between Ottery St Mary and West Hill, since West Hill residents and ward members on the town council moved forward with plans to create their own parish council.

COLYTON

Ladies raise £1,000 for Cancer Research

THE Colyton and Colyford branch of Cancer Research UK hosted a successful "Ladies Who Lunch" event and raised £1,000 in the process.

On Thursday, July 7th, a small committee of six ladies, four of whom have survived breast cancer, put on a fantastic event with great food, lots of laughter and an interesting speaker.

The 100 ladies who went along to enjoy the event were thoroughly entertained with coffee, lunch, wine and the hilarious public speaker Val Bugden-Cawsey. Val was Princess Anne's first housekeeper and cook. She had everyone laughing on her topic "Growing Old Disgracefully".

AXMINSTER

Huge cannabis farm discovered in town

A MAN has been remanded in custody after police found a massive cannabis farm in Axminster town centre.

Police officers entered the premises that used to house Axe Vale Social Club in Chard Street last Thursday morning after reports of a strong cannabis smell in the area. A 27-year-old man was arrested on suspicion of production of class B cannabis.

Erion Bardhi, of no fixed abode, was later charged with the offence and appeared at Exeter Magistrates Court on Saturday, July 9th. The extensive amount of equipment and plants found in the property, which is spread over three floors, meant police were at the scene for some time to gather and seize evidence.

SOUTH SOMERSET

Council running out of housing sites

SOUTH Somerset District Council lacks sites for almost 1,000 dwellings to meet its Five-year Housing Land Supply requirement.

The Campaign to Protect Rural England (CPRE) Somerset says developers will feel like it is open season, and SSDC admits that could be the case.

SSDC also admits there are "significant implications" for its decision-making on planning applications.

The National Planning Policy Framework (NPPF) requires each council to meet the needs of its area by defining a housing requirement in a local plan and identify a supply of land to meet five years' worth of housing against the requirement.

SIDMOUTH

Council agrees beach management plan

SIDMOUTH Town Council have unanimously agreed on the preferred beach management plan they would like to see implemented to deliver coastal defences the shoreline so desperately needs.

Option 4b was chosen as it is hoped it will greatly improve Sidmouth seafront as an amenity for tourists, as well as protecting the coastline.

New Jurassic visitor centre welcomes 20,000th guest

LAST Monday saw the 20,000th visitor pass through the doors at Seaton Jurassic.

The facility only opened in early April but its mix of "quirky displays and interactive exhibits" already seems to be a hit.

Owned by East Devon District Council and operated by the charity Devon Wildlife Trust, Seaton Jurassic has brought visitors and the attention of the nation's media to the town.

One glowing review in *The Guardian* newspaper spoke of the journey through prehistoric times that visitors to Seaton Jurassic could enjoy as being "educational entertainment at its very best", before giving the attraction a star rating of 9 out of 10.

The Independent also gave Seaton Jurassic a big thumbs-up before advising visitors to "come soon before the crowds catch on".

Seaton Jurassic's manager, Mike Ruiter, said: "It's been a busy first few months since our opening and so much has happened. We had a very special guest, HRH the Princess Royal, join us for our opening and since then we haven't looked back."

"We've now welcomed more than 20,000 visitors through our doors.

"The reactions and feedback from people have been wonderful. People seem to be really enjoying Seaton Jurassic, its exhibition galleries, gardens, shop and café."

Visitor numbers so far has seen Seaton Jurassic surpass expecta-

tions.

Devon Wildlife Trust had estimated that 15,000 people would pay to enter the attraction in its first three months, but this target was comfortably beaten.

Mr Ruiter added: "We have had people from as far as London and Falmouth visiting for the day.

"Many local families have become repeat visitors taking advantage our offer of paying once for an annual pass. One family told us they had returned 10 times.

"To me this highlights the interest in the Jurassic Coast and its magnificent natural environment.

"What we offer at Seaton Jurassic is a great way for peo-

ple to begin to discover the story of this fascinating coastline."

East Devon District Council's Leader Councillor Paul Diviani was equally delighted and said: "I am delighted at the public's response to Seaton Jurassic and it is immensely rewarding to see the enjoyment they are getting out of this unique visitor attraction.

"But most importantly, the success of Seaton Jurassic will contribute hugely to the regeneration of Seaton itself, both inwardly through the local community and by attracting businesses to invest in the town.

"With its spectacular Jurassic Coast setting and wonderful natural assets, Seaton has an exciting future ahead."

Council will co-opt new member

SEATON Town Council has announced that the vacancy which arose when Tony Woodman resigned will be filled by co-option.

Those interested in taking over the vacant seat must register their interest no later than 4pm on Monday, August 1st.

When a vacancy occurs, the council must advertise it. If ten or more electors demand a by-election, one must be held.

Because that did not happen in this case, existing town councillors will co-opt a replacement for Mr Woodman.

Mayor Cllr Marcus Hartnell said: "Being a councillor is a hugely rewarding role and a fantastic opportunity for anyone who wishes to engage with the local community, and to make a difference.

"The process of co-option requires you to present yourself and demonstrate how you would be a valuable member of the council.

"Existing councillors will then vote to decide which candidate they wish to see fill the vacancy.

"The process of selecting the new councillor will take place in September."

Application forms are available online at www.seaton.gov.uk and at Marshlands Centre in Harbour Road.

■ SEATON Primary School's summer fete included a Zumba performance by JM DanceFit Little and Junior Starz.

The sun came out for the performance on July 2nd, and JM DanceFit founder Johanna Morgan said: "I was so very proud of all of the children and would like to congratulate them on their superb performance, which showed without a doubt that keeping fit can indeed be lots of fun."

■ AXE Cliff Golf Club has received a grant to run a summer school for youngsters up to the age of 16 this month.

Club owners Simon and Jill Wellington (pictured) said: "We have been given a grant to try and encourage kids to take up golf. We have set up a subsidised summer school from July 25th-29th with club professional Andrew Thompson."

The £250 grant comes from Greenaway Trust and Mr Wellington added: "We try to promote junior golf all the time in various ways, this being just one."

The cost is £20 for the whole week.

Dairy industry award for MP Neil Parish

TIVERTON and Honiton MP Neil Parish has scooped an award for his support for UK dairy farmers and the wider industry.

Neil Parish, who chairs the Environment, Food and Rural Affairs (EFRA) Select Committee and is former chair of the Dairy APPG, was handed the award at the Dairy UK Annual Dinner held at the Royal Garden Hotel in London.

Mr Parish said: "As a former dairy farmer myself, I am a proud supporter of our British dairy industry and a strong believer that we must work together to reach our goals."

"I am optimistic about the industry's future and proud to be a part of it."

New rules to crackdown on flytippers

NEW powers to crackdown on flytippers have been welcomed by East Devon District Council's Cabinet. Once the power have been ratified, offenders can be issued with a fixed penalty notice of £400.

The new controls will be used by council officers to deal with small, medium and large fly tipping offences by householders or unauthorised "man and a van" operations.

Offenders issued with fixed penalties will be given the option to pay a reduced fine of £200 within ten days of receiving the notice.

An EDDC spokesperson said: "All offenders will also be charged the costs of clearing up the mess. The new powers were introduced by the Government in May under the Unauthorised Deposit of

Waste (Fixed Penalties) Regulations 2016 as part of the Environmental Protection Act 1990.

"Officers can now serve a fixed penalty notice on a person who they have reason to believe has committed a waste deposit offence."

"The investigation of very large scale commercial fly tips will remain the responsibility of the Environment Agency."

The new powers mean that fly tippers can be dealt with more quickly and effectively. The new powers are expected to be ratified by the full council when it meets in July.

EDDC deals with an average of 40 fly tips a month costing the council tax payer up to £50,000 a year in clearance costs.

■ BILL and Sue Coltham, from Smallridge, are back in the world of dogs, offering 'therapeutic' visits.

Many people in Axminster, Honiton and surrounding areas will remember the numerous guide dog puppies walked and trained by the Colthams.

After ten years of constant hard work, Bill and Sue took a rest for a few years "to get their life back a little".

But they have teamed up with Gizmo, a two-year-old flat coated retriever, visit-

ing care homes under the Pets As Therapy (a charity) banner.

Pets As Therapy aims to bring together animals and people who need companionship and comfort.

Team Gizmo currently visits two care homes in Axminster on a fortnightly basis, and is able to make one-off visits for about an hour or so to other local groups.

There is no charge, and those interested should contact Bill on 01297 631818.

Beer festival pulls in the crowds again

■ BAR staff were under constant pressure to deliver

AFTER a slow afternoon, Axminster Beer, Music and Cider Festival came to life in the evening as the weather improved, **writes Anders Larsson.**

This year the annual event, which is the main fundraiser for Axminster Tourist Information (TIC), was held on Saturday, July 2nd at the showground.

Organiser Shane Morgan said: "Although down on last year, we hope to have made a profit sufficient to help us keep the TIC running for another year."

"We had the weather against us in the afternoon with heavy showers, which did not help and kept the families at home."

"However, we had a full house in the evening and the dance floor was packed."

The final figures were not available when going to press, but last year's event attracted more than 1,500 people and profits are usually in the £6,000 to £7,000 region.

This year's festival brought another round of first class local music acts to the event.

Lyme Regis duo Cosmic Cafe Lite opened the festival followed by Paul Toop, Trinity Hill Modernists, The God Brothers followed by the original

line-up of award winning pop/rock band Velvet Touch, covering hits from some of the numerous top names they have supported in the music business since the 1960s such as Tina Turner and the Bee Gees.

Axminster band Shakedown Ridge opened the evening set, followed by Bullet and the 4 King Dwarfs – all Devon based.

TIC chairman Joy Raymond said: "The food court was a real hit with tasty pies and cheese straws from Mulberry Manor, crispy thin pizzas from Rebel Town and lip-smacking, locally-sourced meat burgers

and steak sandwiches by Carnivorous Rex.

"This was washed down with a selection of beers on offer from Branscombe Vale Brewery."

"Norcotts Cider from Honiton had a stall along with Emma Stapleforth's Rumpy Pumpy Scrumpy and Somerset-based Tricky Cider."

Mr Morgan concluded: "We would like to thank all of those who helped make this lively annual social event for Axminster possible: DL & LF Burrough for the use of the field and MJ Bevis Electrical Engineers whose expertise is in-

valuable for this occasion.

"I would also like to thank Jill Ruddick and Anne Seward our TIC Staff, the TIC committee and volunteers for running the event."

"Our thanks to Duncan Colvin the Keg Meister, Chris Painton and the Axminster Rotarians, Maria D'Oliveira for running our social media, the first aiders and all our friends and relatives who put in time on the door to help us."

"And don't forget that the date for next year's diary is Saturday, July 1st, all being well."

Care service celebrates 30th anniversary

AXMINSTER Care Service's combined annual general meeting and 30th birthday party attracted more than 80 people, well above the average AGM turnout. The event was held in Axminster Guild-hall on Thursday, June 30th.

Axminster Care Service secretary Caroline Lavender said it was a joyous occasion which included a celebratory drink, and added: "Mayor Paul Hayward gave a nice toast, thanking people of past and present and looked forward to the next

30 years.

Some of the leading members, including chair-

man Dr James Vann (fifth from left) are photographed just before the meeting got under way.

West End stars send good luck to Axminster's 'Joseph' cast

West End stars have been sending good luck messages to Axminster Drama Club Youth, as the group start final preparations for their production of 'Joseph and the Amazing Technicolor Dream-coat'.

Lee Mead, who won the BBC talent show *Any Dream Will Do*, was full of admiration for the local youngsters and said: "Have a fantastic time on the show and best of luck with the run."

Mead won the coveted role as the coloured coat wearing hero in 2007 and has since gone on to achieve a hugely successful career.

As well as playing numerous West End roles, he is well known for playing Lofty on the BBC1 drama, *Casualty*, and has released a number of

solo albums.

Lee is currently touring the country, as Caractacus Potts, in the smash hit musical, 'Chitty Chitty Bang Bang'.

Axminster Drama Club are fast gaining a reputation for presenting energetic and high quality shows and with a large and exuberant young cast, their production of 'Joseph', promises to be a real treat.

Lyme Regis stage regular Georgie Harwood plays the show's narrator, with talented local actress Katie Richards donning the multi-coloured tunic to take the audience through the beloved story of a young dreamer, who despite adversity, finds happiness and success.

Linzi Hateley, who is currently playing the leading role

of Donna Sheridan in the West End production of 'Mamma Mia!' also wanted to pass on her best wishes to the cast.

Hateley was Olivier award nominated for her portrayal of the narrator alongside Jason Donovan at the London Palladium in 1991.

Linzi said: "Follow your dreams, because any dream will do! Have a fantastic time, from the original narrator at the Palladium."

Axminster Drama Club Youth present 'Joseph' on Friday 15th and Saturday 16th July, with an added matinee performance on the Saturday.

Tickets are available from the Archway Bookshop, which you can call on 01297 33744.

"No further policing action has been taken."

Park vandalism still an issue

VANDALISM in the Elizabeth Road play area continues to be a problem.

Seaton Town Council has reported four cases of vandalism recently.

A report prepared for the full council meeting on Monday, July 4th said: "Further to undertaking repairs to damaged benches on two separate occasions, a further picnic seating bench has been badly damaged.

"The repairs will require a number of hours of work, so the bench has been removed from site and will be repaired when town maintenance colleague work load permits."

Councillor Martin Piggot has since reported that a wrecked table

was discovered on in the play area on Monday, June 27th, which has been reported to police.

The ongoing problem was expected to be discussed by councillors during the July 4th meeting.

■ **MEMBERS** of the Ye Rattenbury Lodge in Beer gathered for a celebration evening at Beer Social Club when they handed over a cheque for £1,700 to the Multiple Sclerosis Society.

The brothers of Ye Rattenbury Lodge of the Royal Antediluvian Order of the Buffaloes, also known as the Beer Buffs, hold an appeal every year from April to April, and this year were delighted to support the work of the MS Society.

"This is an amazing amount of money and I would like to offer my thanks to the Beer Buffs for donating it to the so-

ciety," said Gill Downer, who is the treasurer of the Sidmouth branch of the MS Society.

"The money will go towards

on-going research into the illness which is what our members have asked us to do with our fundraising."

■ **CHILDREN** from Puffins at Beer Pre-School took part in The Big Toddle charity event, held across the UK by Barnados, on June 30th.

Thirty children and helpers walked through Pecorama's wild woods and gardens before playing in the park and enjoying ice cream treats.

Each child received a 'well done' medal after the event.

Natalie Puddicome of Puffins said: "It was lovely

to get so many children turn up for our event – and the sun came too!"

All sponsorship money raised by the children will be going to the Barnados charity.

Puffins Pre School's next event will be during the Beer Regatta.

They will be running a barbecue at the Family Funday on Sunday, August 7th and a Sausage Sizzle stand on the evening of Tuesday, August 9th during Beer Barrel Rolling.

Devon women travel to London for pensions' protest

THE Devon branch of Women Against State Pension Inequality (WASPI) joined thousands of others in a march on the House of Commons to protest against changes to the state pension age.

A coachload from Devon included marchers from Honiton and Sidmouth.

The march took place on June 29th, and WASPI believes that the changes made to women's state pensions in the 1995 and 2011 Pension Acts were unfairly implemented, leaving women affected by the raised recipient age (those born in 1951 onwards) with little or no time to make alternative financial plans.

WASPI co-founder Anne Keen said: "Over 100 years since Emmeline Pankhurst marched on Parliament with the suffragettes, thousands of men and women came to express their support for their demand for social injustice.

"The demands of the group's members are forthright yet modest: they rallied for fair transitional state pension arrangements, not a complete reversion of the act in question.

"The turnout included over 60 MPs from constituencies all over the UK, Glenys Kinnock also came out in support.

"Now it's simply up to the rest of the government to listen.

"It has been an amazing day and we very much hope that the Government finally take notice of all these thousands of women from all over the UK who were representing so many thousands of other women who did not have the means, were too unwell, or had caring duties which prevented them from joining the protest.

"The time has come for the Government to move this issue forward. We are committed to fight on until we achieve a fair outcome."

Clergy group hears about Sri Lanka

AXMINSTER: The Axminster Circle of The Catenian Association held its Annual Clergy Night at The Lordleaze Hotel, Chard.

Attending from the parishes within the Circle district were Monsignor Robert Draper (Sherborne), Father Richard Meyer (Bridport), Father Jean-Patrice Coulon (Yeovil) and Father Peter Clarke (Sherborne).

Sadly, the Circle's Chaplain Father Michael Koppel died recently and after a prayer, a silence was observed.

After dinner, Molly Hyde, the recipient of a donation from the Catenian Association Bursary Fund gave a talk about her trip to Sri Lanka.

She expressed her delight at teaching young children from 3 to 5 years and became very aware of the cultural differences.

She has successfully applied to the Bursary Fund for support to travel and work in Ghana where she will be involved in building work.

Circle President David Gale presented Molly with a cheque for £400.

The Circle looks forward to hearing more of Molly's exploits when she returns.

Talk on life in the lifeboat service

AXMINSTER: Mac McLaren spoke to Axminster Probus Club's July meeting.

It is almost universally believed that all lifeboat stations are operated by the RNLI. Of the 280 around the coast no less than 80 are independent although they have the same principles as the RNLI and work seamlessly with them. Another misconception is that the service is entirely voluntary, but coxswains are salaried as are 1,000 other staff.

Mac started his career in his native Cornwall as a boatyard em-

ployee. On taking up his boat-building place he joined the RNLI and has been a leading supporter ever since both as operator and now orator.

The march of technology has brought many changes to the saving of life at sea. Much criticism arose as a result of centralisation of many services including the deployment of helicopters but Mac insists that it is now more efficient and the provision of faster helicopters has reduced journey times.

With his rich Cornish burr, Mac

illustrated his talk with many anecdotes which delighted his audience.

The Axminster Probus Club for retired and semi-retired business and professional men meets in a private room at the A35 Pit Stop, Gammons Hill, Kilminster on the first Tuesday of each month.

Its next meeting, on August 2nd, will have a talk by Malcolm Wells MBE entitled 'Canine Partners' followed by an optional lunch. Prospective members are always welcome. For further information ring 01460 220528.

Applause at groundbreaking service

SHUTE: An historic choral evensong, featuring a robed choir from Shute Primary School with adult choristers, was celebrated at St Michael's Church in Shute on the solstice.

The service began with a procession of the full choir – robed in red and white, including twelve pupils from the school – accompanied by local composer and organist Peter Lea-Cox.

"The service was the first to include children choristers and with prayers and music in English and Latin, possibly the first time that the latter language had been used for prayers in the church since the Reformation," said Bijan Omrani, a local writer and parent who assisted in orchestrating the service.

The music included a set of Preces and Re-

sponses composed especially for the occasion by Mr Lea-Cox, who also finished the service with an improvised voluntary.

The children sang three pieces including an African spiritual, and the congregation of parents and locals was apparently so moved by the service that spontaneous clapping broke out at the end.

"It was amazing," said one resident.

Clare Rinaldi, Head of Teaching and Learning at Shute Primary, sang with the choir and directed the children and said: "It was a great success and a great opportunity for the children to experience choral music."

The next Evensong at St Michael's Church is planned to take place on Sunday, October 9th 2016.

Local election cost

■ DEAR fellow resident of Seaton, I wish to draw your attention to the use of Seaton Town Council Residents' Council Tax – in fact £6,370 of it!

£6,370 is the cost incurred for the February By-Election (17 per cent turn-out) for one place on the town council, the candidates being myself and Jack Rowland. I must stress that neither of us requested an election.

Usually replacement councillors during the mid term are co-opted (meaning the remaining council members choose a replacement after judging their suitability at interview).

So how and why was the election called?

How? Ten members of the Seaton Town public, some being past and present councillors, but none of the signatories stood, filled in the required form and submitted it to the Electoral Department, East Devon District Council. The election was then generated.

Why? As stated Jack Rowland and I had no hand in the requesting an election and we would probably have gone through the co-opted route.

The request for an election is totally legal, but Seaton Town Council have now passed a motion not to post out polling cards, costing in excess of £3,000, for mid-term local elections.

On a lighter note, I attended the last Council Meeting at Marsh Lands and witnessed the meeting being carried out in a professional and business like manner.

ERIC BOWMAN,
Seaton

A country divided

■ HAVE we gone from the best deal in the EU to the worst situation outside it?

The headlines say 'UK leaves EU' but the reality is we are more seriously divided than before. Our people are divided; our nations are divided. While most older people voted to leave, 72% of young people wanted to remain – they are the future of our nation. What nation is that? While England and part of Wales voted to leave, Scotland and Northern Ireland voted to remain. Not only does Scotland want to continue as part of the EU they may hold another referendum on independence to ensure this happens. And this time they might win. The UK and its flag could suddenly become much smaller. Companies based in England could move north. We might even have to show our passports to enter EU borders on the British mainland and in Ireland.

What about all those Leave promises? Some Leave leaders are now saying they never promised a drastic reduction in immigration. Others are saying they can't guarantee all the alleged savings will go to the NHS.

As for our 'special relationship' with the US... It seems President Obama has said that on leaving the EU Britain will go to the back of the trading queue.

You couldn't make it up, could you?

Seaton standards

■ I HAVE recently moved to Seaton to live on the new Bovis development near Tesco.

I must say I find Seaton a wonderful place to live and I am looking forward to a long and happy retirement.

However, I was shocked to see the poor, rundown parts of the town that look so shabby and neglected.

Come on Seaton – get those paint brushes out! A lick of paint would do wonders and encourage more people to come into the town and use the many shops and cafés that are so good.

TW SMALL,
Seaton

Stop fly-posting

■ AS Seaton is going through a regeneration phase and encouraging visitors to our town, can something be done to stop the Gateway (entertainment venue at the Town Hall) from going all over the town centre and fixing advertising posters on virtually every telegraph pole, some as many as six or eight posters on one pole? This is simply bill posting at its worst! It is making the town look very down-market to say the least. I for one will cease using the Gateway until such time as it stops this practice.

KATHY THURGOOD,
Seaton

PCC: stand down

■ WITH the news that our recently-elected PCC Alison Hernandez is under investigation for undeclared election expenses, many feel she should stand down during this period, myself included.

Alison's claim that there is no conflict of interest due to the enquiries being passed over to a neighbouring police force is facile, Alison holds a sensitive position with regards to law and order and this being overlooked is undermining not only the office she holds but also the electorate who voted; it would be similar to a judge being probed over perjury in court but continuing his role regardless.

The allegations come after the investigative journalism of Michael Crick for Channel 4 discovered anomalies in declaring for hotels nationally rather than locally. Ms Hernandez was the election agent for Kevin Foster MP who won in Torbay, Alison did not record volunteer expenses which would have exceeded the legal amount for the short campaign, she said that they were a national expense and didn't need to be declared locally.

The current number of Conservative MPs being investigated for electoral fraud in England stands at 29, by 19 different authorities with four of those escalating their enquiries. The MP for South Thanet (Farage's stomping ground) tried blocking the police being given more time to look into the accounts, the judge overruled this stating that in the event of a conviction, there would be "potential for election results being declared void". This poses a real threat to the government who have only a working majority of 16, the result in the most exaggerated context being that this Tory government is seen as being void of office.

Spokesperson for Tiverton and Honiton
Labour Party

Councillor Moulding 'always done his best for Axminster'

■ I WOULD like to reply to K Hackman's letter regarding Andrew Moulding in the June 28th edition.

Firstly, how much of Axminster did you poll to use the words 'many people' on more than one occasion? I certainly wasn't one of them.

I lived in Axminster all of my life and have known Andrew for 35 years. Whilst I have never agreed with his political views, I have never doubted that he has always done his best for Axminster.

Secondly, with regards his work/life balance surely that is a matter for his family but I know he has always put his wife and two sons first. His wife has supported Andrew in everything

he has been involved with and, as they say, behind every good man is a great woman.

Lastly with regards to Bovis Homes closing the footpath at Cloakham Lawn, it was reported in April 19th's edition that the Town Clerk was verbally informed by Devon County Council, that they followed the correct process, so again Andrew wouldn't have needed to know they were going to divert it. I think Bovis certainly could have handled it better but I don't think they are any different to any other developers.

STEVE DOWNTON,
Axminster

Complaint over councillor was 'shapeless and baseless'

■ I NOTED with regret a further letter dated June 28th from K Hackman.

With no evident support, I wish she would give up the shapeless, baseless complaint with which she has tarnished your pages.

She has introduced some implied complaint about a part Cllr Moulding may or may not have played in respect of the Bovis development. Surely this development has been exhaustively staffed by our Planners, almost entirely in the public domain. What does she think he should have done that he did not do? – or indeed that she or any other townspeople might have done or not done?

I may be wrong about her basic case. Your staff, with their known tenacity, might find Cllr Moulding's

"List of interests, twenty items long" and stir those bodies into a chorus of complaint about the way he has (through you, even) disrupted their peaceful lives.

Mrs Hackman might have done it herself, but perhaps she is already embarked on a campaign to stir up the more-than 600 organisations and charities of which HM The Queen is patron.

Mrs Hackman's cause is ludicrous. Cllr Moulding, like every normal citizen, is capable of looking after his own welfare. His health allows him with generosity to look after the interests of his fellow citizens. Long may that be so and let us be thankful that we have such a person in our midst.

Sir Ken checks on fire service progress

DEVON & Somerset Fire & Rescue Service hosted former Chief Fire and Rescue Adviser Sir Ken Knight to discuss progress on recommendations in his 2013 report, Facing the Future.

In his Government-commissioned review, Sir Ken published his conclusions as to how English fire and rescue services could become more cost-effective and efficient in the future.

The report found that while incidents had reduced by 40 per cent in the last decade, the fire and rescue service could achieve greater cost savings by using different staffing models and by working more closely with neighbouring fire authorities and other emergency services.

As part of the review, Sir Ken visited Devon and Somerset and the merger of the two fire and rescue services was noted as an example for others to follow in the report, having saved £4.2million between 2007 and 2012, as was the innovative work on wider community safety initiatives.

Chief Fire Officer Lee Howell said: "We invited Sir Ken back to Devon and Somerset to highlight the significant progress we have made locally since his national report was issued in 2013. This is part of our strategy to bring in an external perspective on our performance to reassure the public that the fire and rescue service in Devon and Somerset continues to improve year on year."

Councillor Mark Healey MBE, Chairman of Devon & Somerset Fire & Rescue Authority, said: "We are very proud of our achievements and we are working on some innovative projects which will enable us to further maintain and improve public safety as well as becoming even more efficient and effective."

During Sir Ken's visit, Lee Howell took the opportunity to explain the work carried out in

■ **PROGRESS (left to right): Authority Vice-Chairman Councillor Brian Greenslade, Sir Ken Knight, Authority Chairman Councillor Mark Healey MBE and Chief Fire Officer Lee Howell**

Devon and Somerset since the publication of the report and further initiatives currently underway.

These included firefighters now saving more lives by responding to medical emergencies as the service has 20 co-responding fire stations, the use of different emergency response vehicles such as Light Rescue Pumps and the current trial of Rapid Intervention Vehicles and associated new technology.

Sir Ken Knight, who served in the former Devon Fire & Rescue Service from 1985 and

again in 1992, said: "I was delighted to return to Devon and Somerset three years after my review to see at first-hand the tremendous range of work that the fire and rescue service is undertaking."

"It is notable that firefighters in Devon and Somerset now save more lives from attending emergency health care support than from the traditional firefighting role. It is a credit to both fire and rescue authority and firefighters who are serving the community in this way."

Tourism bodies to merge

VISIT South Devon and Heart of Devon announced yesterday that they will be merging to create a new super Area Tourism Partnership (ATP).

The formal legal merger will complete by the end of September 2016. Visit South Devon and Heart of Devon will retain their existing identities and websites until a combined, super website is launched in December 2016.

Prompted in part by Exeter City Council's plans to end their financial and staffing support for Heart of Devon later this month to focus on the promotion of the city, the merger is designed to cut overheads and costs.

Economies of scale resulting from the merger will give the expanded Area Tourism Partnership a larger overall marketing budget, which will be used to increase the number of day visits, short breaks, longer holidays and business trips to Mid Devon, East Devon, Exeter and its city surrounds, Teignbridge and South Hams.

From the end of July, Visit South Devon's experienced in-house team of marketing, communications and online specialists will take over responsibility for the maintenance and management of Heart of Devon's current website and for the marketing of its attractions, destinations, accommodation and hospitality.

Over the coming months a series of social media, marketing and PR campaigns will be implemented to continue driving traffic to www.heartofdevon.com, which will be linked to the Visit South Devon website to encourage cross-promotion between the two sites.

Work has already begun on the development of a new identity for the merged ATP, which will be ready for the official launch of the super website in December.

The new identity will include a refreshed logo and strapline that will draw on the strengths of the combined tourism areas and their established brands. It will be developed following a period of market research to ensure that the refreshed brand appeals to visitors and resonates with local tourism businesses.

Heart of Devon's board and Visit South Devon will form a merged board by the end of September ensuring business representation from Mid Devon, East Devon, Exeter, South Hams and Teignbridge.

The Tempest of Lyme

Don't miss the exclusive performances of Shakespeare adaptation

THE Tempest of Lyme approaches Lyme Regis' seafront with 50-strong community cast. This special adaptation of Shakespeare's *The Tempest* incorporates the local link between the town and Shakespeare's last play.

In July 1609 Lyme Regis-born Admiral George Somers set sail to carry urgent supplies to the fledgling British settlement of Jamestown in Virginia. Three months into the voyage, the fleet hit a hurricane that wrecked Somers' ship on an uninhabited Bermuda. 150 passengers were stranded for ten months on the island before building new ships and sailing on to rescue Jamestown. One of his fellow crewmen was Sylvester Jour-

dain, also from Lyme Regis, who wrote an account of the storm, the shipwreck and the Isle of Devils, and published it in London. Shakespeare read the account, and was inspired to write his last play... *The Tempest*.

This July, to celebrate the 20th anniversary of Lyme's twinning with St George's Bermuda, the Marine Theatre stages *The Tempest of Lyme*, a new adaptation of Shakespeare's epic tale weaving in the story of Sir George Somers and his colonization of Virginia. Directed by Marine Artistic Director Clemmie Reynolds, with music by award-winning composer Andrew Dickson (High Hopes, Vera Drake), this open-air theatre

production is to be performed on Theatre Square with sweeping views of the Jurassic Coastline and whatever weather we encounter as the perfect backdrop to the drama.

Performances take place from July 19th-24th, onstage nightly at 7pm, except on Thursday, July 21st when the performance will start at 8pm due to the Red Arrows display. Gates open one hour before onstage times (6.45pm on Thursday 21st).

Tickets are £10, under 18s £5, available from the box office at Lyme Regis Tourist Information Centre on 01297 442138, or online at www.marinetheatre.com.

Rehearsals of *The Tempest of Lyme*

Former tv presenter Nick Page to headline Pilot Boat comedy night

TV PRESENTER turned comedian Nick Page will headline the next comedy night at the Pilot Boat Inn in Lyme Regis.

The regular Pilot Boat comedy night is back with another stellar line up of comics, this month headlined by former BBC favourite Nick Page who this month finished as runner up in the English Comedian of the Year final.

Nick has been on the comedy circuit for over a decade, performing worldwide, and has built up a never ending wealth of outlandish tales about his runs ins with the law, ex partners and ladies of the night. A born cynic who cannot avoid mischief, Nick also has some of the best ideas going for smartphone apps, fizzy drinks companies and what

you can do with a highlighter pen.

Opening the show will be west-country madman Jon Wagstaffe, a force of nature who whips his audience up into a frenzy of laughter. A Cliff Richard fanatic and a Blue Peter badge holder Wagstaffe is a one of a kind westcountry eccentric who never fails to fill a room with laughter.

Completing the line up will be prop comic and quickfire gag merchant Alf and character comic Tim Hoskins.

Resident compere Tom Glover will

once again be at the helm for the night, chatting with the club's regular crowd and getting to know all the newcomers.

The next Pilot Boat Comedy night will be this Saturday, July 16th at 8pm, doors open at 7pm. Tickets are £8 and are available from the bar on 01297 443157.

Taste of the West Gold Award winners at Crewkerne Farmers Market

THE MONTHLY Crewkerne Farmers Market is this coming Saturday, July 16th in Falkland Square, in the centre of town, from 9am to 1pm. There will be the regular range of meat, fish, bread, pies and cakes, cheese, plants, fruit and seasonal vegetables.

Congratulations to West Country Water Buffalo on their Taste of the West Gold Award for fillet steaks. Water buffalo meat is low in cholesterol and has a distinctive flavour which makes for tasty casseroles, cottage pie and chilli. There are also burgers and a variety of sausages available, with tasters to help you decide. It's nice to see the water buffalo at home in the fields near Ilchester but you can also follow these majestic beasts on their Facebook page.

Veggelicious are back this month with their range of colourful and tasty dishes to liven up your summer plate. July has lots of seasonal vegetables so Bower Hinton Farm Shop will be full of colour with cauliflower, carrots, beetroot, rhubarb, cabbage, tomatoes although everything is a little late this year with the rather cooler weather.

For Farmers Market dates across Somerset and details of all the producers visit www.somersetfarmers-markets.co.uk or pick up the 2016 leaflet when you visit Crewkerne on Saturday.

VIEW FROM the beehive

JULY sees the launch of our live streaming at the Beehive cinema and after our first successful showing with Kenneth Branagh's "Romeo and Juliet", we also have a special afternoon on Saturday, July 30th at 2.15pm with *World Cup '66 Live* from Wembley. This is not just for footie fanatics but music lovers and those who'll enjoy a bit of 60s nostalgia (after all we did win the world cup!) There'll be sporting heroes and some of today's biggest acts performing fab numbers from the 60s like Lemar, Reef, The Vaccines and the Troggs! There will also be a licensed bar.

Phil Beer recently played to a full house here at The Beehive with his buddy and the other half of Show of Hands, Steve Knightley. Now Phil's back and we're delighted that he is bringing his brilliant five piece band too! It would always be worth the trip to see musicians of this quality but it is the repertoire that makes a Phil Beer Band gig extra special so don't miss this on Saturday, July 23rd at 8pm.

Other great films throughout July at The Beehive cinema include 'Demolition' with Jake Gyllenhaal & Naomi Watts and "The Daughter" with Geoffrey Rush & Sam Neill along with a Discover Arts screening on Friday, July 22nd at 7.30pm of 'St Peter's & The Papal Basilicas of Rome', a sumptuous HD documentary exploring Rome's four Basilicas and

their famous artworks.

Sue King is back with her much loved folk café in the Beehive Bar on Wednesday, July 13th from 8pm, everyone is very welcome to this friendly informal session. Come and play, sing or just rock up and listen.

This month's Nostalgic cinema is 'Seven Brides for Seven Brothers'

on Friday 29th at 2pm, reckon a few folk will be tuning up to sing along to this fab musical, looking forward to seeing the Stetsons and checked shirts. These dementia friendly screenings are for anyone to come along to enjoy, all for only £3.50 with free tea and biscuits in the bar and plenty of chat afterwards!

Peking to Paris – the race is on!

YOU may remember back in April, Nigel Lee owner of World of Country Life in Exmouth and his friend Richard Turner from St David's Veterinary Service introduced the public to their 1938 Ford 62 which they had spent a whole year rebuilding and adapting to take part in the longest endurance car rally in the world – the Peking to Paris Rally – all to raise money for the locally based FORCE cancer charity.

The event started on June 12th from Peking (now called Beijing) and is due to last 36 days, finishing on July 17th. The duo have so far conquered nearly 10,000 kilometres through China, Mongolia and into Russia, and as of going to print, are venturing through Hungary.

Endurance rally is a very apt name for the event – the guys are encountering all sorts of weird and wonderful experiences from the dust and grit in the Mongolian desert to getting pulled over by the Russian police – for a photo!

So far, thanks to very generous donations, they've raised over £9,300 for FORCE cancer charity and are well on their way to their £10,000 target. To follow their progress and donate to

Colyton Theatre Group are Entertaining Angels

FOLLOWING their recent success in the All-England Theatre Festival of One-Act Plays with *The Ladybirds*, Colyton Theatre Group is now preparing for their summer production, 'Entertaining Angels'.

Clergy wife Grace (award winning Tish Wells) has spent a lifetime on her best behaviour. Now following the death of her husband Bardolph (David Clarke), she is enjoying the new-found freedom to do and say exactly as she pleases. But when her missionary sister Ruth (Sue Whitell) comes home to lend support, their old sisterly dynamics and rivalries soon come to the fore.

The dazzling cast: Tish, Sue and Steph Letten (who worked together on *The Ladybirds*) are joined by veteran of local theatre David Clarke and by Debbie Trott who is making a welcome return to the boards in Colyton.

Entertaining Angels deals with family secrets and lies and provides a comic mask for the serious issues of relationships, communication and compromise with astute, dry delivery.

"I WROTE 'Entertaining Angels' following a discussion I had with someone in my local church" says Richard Everett.

"They referred to an older member of the congregation

as 'one of the little old ladies in tennis shoes who sit in the front pew'. I happened to know the lady in question and something of the extraordinary life she had led and thought how incredibly patronising it was of this person to have referred to her in that way. I also knew that this remarkable woman had been married to a clergyman and spent many years working faithfully alongside him.

"She was a woman of great intelligence and spiritual depth who had a wonderfully angular way of looking at her faith. But she had spent many years, perhaps unwisely, holding her tongue largely to spare her husband's embarrassment at her outspokenness. This 'little old lady in tennis shoes' was no frail creature in the front pew, she was something of a spiritual warrior and someone to be listened to and not patronised.

"A few years ago I wrote a play for BBC Radio 4 called 'Grace and Favour' which featured Grace, a woman based on the character I have described and the play solicited such a positive response that I wrote a stage play exploring the character further. Real faith is only meaningful when it meets with real doubt, and a good stage play only works when it has real meat, so I decided to explore one of the toughest of spiritual tests, namely forgiveness, and put Grace into the middle of it: *What happens when someone of real faith comes up against unforgivable behaviour from someone close to them?*

"The play you are about to see is what I came up with and to my delight it opened the Chichester Festival Theatre season a few years ago starring Penelope Keith with a wonderful supporting cast playing to record-breaking audiences.

"I hope this evening both stimulates and challenges you-and also makes you laugh. I wish the cast well in their endeavours and hope that the play takes them and you, their audience, on a rewarding journey. Thank you for coming to see it."

COLYTON THEATRE GROUP presents a warm, glowing, serious play, filled with sharp-edged comedy and probing wit

Dining out

Ye Olde Poppe Inn

YE OLDE POPPE INN is open for 12pm to 12am every-day! The pub was refurbished earlier this year after an electrical fault caused a fire on the premises.

Ye Olde Poppe Inn is the perfect place to find comfort in the cold, day or night. This quaint 15th Century public house not only offers local award winning West Country ales, but also deliciously hearty, home-cooked food which is served daily 12pm – 3pm, Monday to Saturday 5.30pm – 9pm and Sunday 5.30pm – 8pm.

Landlady Danni took over in April 2014 and with the support of the owner, Hall & Woodhouse, has invested a substantial amount of time to bring the pub up to its full potential. The most recent of these investments can be seen before you even walk through the door, with an impressive new thatched roof. With over 13 years experience in the hospitality industry Danni prides herself on hard work and creating an inviting, friendly atmosphere for all who step foot in the door.

If you're after a real West Country drink then Ye Olde Poppe Inn is just the place to visit as they have two permanent draughts of Badger Ale, which is brewed just over the border in Dorset. Not only that but you are spoilt for choice

as there is also a Seasonal one to choose!

Their facilities include a large car park and a beautiful beer garden to enjoy when the winter weather is mild, and being on the A358 the location is excellently situated for a visit when exploring the Jurassic Coast or a day out in the beautiful Somerset countryside.

Pulman's Property View

NEW ESTATE AGENCY OPENS IN AXMINSTER

A NEW estate agency has opened in Axminster. Axe Valley Property has been set up by a young mother Kelly Apps, who has launched her business in offices in Chard Street.

Born and educated in Lyme Regis, Mrs Apps has worked in the property and legal sector for 18 years.

Axe Valley Property will offer a full letting, residential and commercial sales operation and Mrs Apps believes that her experience and personal approach will give her the edge.

Mrs Apps, 35, accepts that the property market is very volatile at the present with the uncertainty

over the EU referendum.

"There is a lot of scaremongering going on but with the level of enquiries we are currently receiving I am confident that the market is far from dead," she said.

"In the first four weeks of trading I have had great success with most of the property on my books - a mix of commercial residential lets and sales."

Although she will be operating from offices in Axminster town centre, Mrs Apps says her aim will be to compete directly with the "on-line giants" but retain the local agency experience.

As well as managing retail lets and offering a full advice service on house sales, Axe Valley Property will handle commercial property marketing making the most of Mrs Apps' skill for the negotiation process, and already she has a selection of office accommodation on her books.

She is representing the Pension Fund of Axminster Tools & Machinery which is developing the former Grove nightclub development in Seaton including a range of serviced offices and retail units as well as five town houses.

Mrs Apps has two children Oli (6) and Madi (4) and her husband Ian works as a builder.

A member of the talented Street family, she is best known as a hugely talented local stage performer, taking many of the lead roles in shows staged by the musical theatre groups in Axminster and Lyme Regis.

The all-new Tiguan: Accessorise your Volkswagen, your way

The new Volkswagen Tiguan is available in five distinct trim levels with a broad choice of seven potent yet frugal engines and, like all Volkswagens, the Tiguan is further customised via a wide range of options. There is, in short, a new Tiguan to suit every customer.

But if even that vast array of choice isn't sufficient, the Tiguan can be personalised yet further via a wide range of accessories that can be added at any time.

The new Tiguan enjoys sharp exterior styling and this can be preserved at the strip with a chrome-look protective strip for the tailgate (RRP £46.00; fitted £75.00) 1. This smart addition guards against scratches potentially caused while loading the boot, and is alternatively available in a transparent finish. Similarly, high-quality aluminium sill trims protect the bodywork by the front door apertures, and also serve to further personalise the Tiguan (RRP £66.00; fitted £95.00). These are also available in black or silver (RRP £57.00; fitted £115.00).

Keeping the crisp contours of the new Tiguan clean can be aided by fitting front and rear mud flaps. They prevent rain spatter, mud, and general road grime from reaching the bodywork (front: RRP £56.00; fitted £85.00; rear: RRP £56.00; fitted £85.00).

Moving inside, the Tiguan is likely to

be a vehicle that for many buyers will be a family workhorse and, as such, additional protection is available to maintain the appearance of the class-leading interior. Rubber floor mats for the front of the car are beneficial whatever the weather as a non-slip underside and easy-to-clean top surface make these durable, tailored mats a smart choice in every sense (RRP £40.00). Versions are also available for the rear of the car (RRP £30.00).

Alternatively, a choice of basic or luxury carpet mats (RRP £55.00 and £85.00) can also provide tailored protection for the car's carpets. Another option focused on the styling of the Tiguan is the pedal cap set. This is available for manual and DSG-equipped cars (RRP £98.00; fitted £170.00).

The Tiguan is Volkswagen's latest compact Sport Utility Vehicle, and as the name implies SUVs can be used for a whole host of purposes. The boot can be subjected to anything from transporting the weekly shop to carrying pets, sporting equipment, furniture... the list goes on. Covering the boot with Volkswagen's flexible boot liner could therefore be a good decision. Like the carpet mats, it is tailored to fit the specific shape of the Tiguan, and its high-grip surface prevents items from sliding around (RRP £40.00). Similarly, the accessory luggage net

further prevents items from moving about. It's easy to fit, with hooks that attach to the lashing rings in the boot (RRP £55.00).

Keeping pets safely contained in the boot is simple, meanwhile, courtesy of the accessory upper partition grille, which is quickly fitted and just as easily removed. It provides a sturdy metal barrier that will prevent pets from entering the passenger compartment of the car (RRP £152.00; fitted £210.00).

The Volkswagen Tiguan has a huge maximum load capacity of 1,655 litres but, sometimes, we need just that bit more space... Fitting load bars to the car's roof provides the base system for a range of attachments. The load bars have been crash tested and can be locked to prevent theft (RRP £175.00; fitted £193.00). A robust storage bag is also available.

With the load bars in place, Volkswagen offers a range of attachments including a bicycle holder (£85.00; fitted £103.00) which has also been crash tested, and doesn't impede access to the boot. There's also a surfboard holder (RRP TBA). The ski and snowboard holder (RRP £177.00; fitted £195.00) carries four skis or two snowboards and can be locked. The range of carrying options continues with the matt black 340-litre roofbox (RRP £225.00). The functional box has a capacity of

50 kg and it's easy to fit.

An alternative bicycle carrier can be attached to the towbar (£525.00; fitted £543.00). This has a super-quick release system, and enables the Tiguan to carry three bicycles with a maximum weight of 54 kg. This is the least bulky and lightest bicycle carrier in its class, and still allows easy access to the boot.

Volkswagen has designed a child seat that fits the Tiguan perfectly. The vehicle — like all Volkswagen passenger cars — is equipped with Isofix mounting points on the two outer rear seats and so the G1 Isofix DUO Plus seat is simple to fit (RRP £370.00).

The Volkswagen Tiguan comes with an anti-theft alarm system and engine immobiliser as standard but, for those with a desire for the ultimate in security, the solution is the CobraTrak Plus vehicle tracking system. With a one-year subscription and fitting included, the RRP is £536.00. Cobra is the European leader in tracking stolen vehicles and is the only tracking company approved by Volkswagen. The system is fully covered by Volkswagen's three-year warranty.

In developing accessories for the Tiguan, Volkswagen has also tried to group together popular items in great value packs. For example, a clothes hanger is available, as is a bag hooking system. Both fit into the base of the

front seat headrests and are available as part of the Business Pack (RRP £99.00). This also includes the luggage net and a base module that attaches to the front seat headrest and allows the attachment of a folding table, and Apple iPad and Samsung Galaxy tablet brackets. A simpler design of coat hanger is available separately (RRP £26.00).

Other accessory packs include: The Style Pack Includes the chrome-look protective strip for the tailgate, and door sill trims in aluminium.

(RRP £113.00; £170.00 fitted)

The Protection Pack Includes front and rear floor mats,

front and rear mud flaps and a flexible boot liner.

(RRP £223.00; £280.00 fitted)

The Pet Pack

Includes the upper partition grille, flexible boot liner and transparent rear sill cover.

(RRP £237.00; £330.00 fitted)

The Transport Pack

Includes load bars, storage bag for load bars and supporting rods, and bicycle holder.

(RRP £295.00; £331.00 fitted)

The new Tiguan is on sale now and for full details, together with brochures and pricing and to use Volkswagen's online configurator, please visit www.volkswagen.co.uk

Volkswagen up! is a winner in Telegraph Cars Awards

AHEAD of the arrival of the new Volkswagen up! in UK showrooms later this summer, the outgoing car has proved that it is still ahead of the pack by taking class honours in the 2016 Telegraph Cars Awards, announced today.

The smallest member of the Volkswagen family is today named 'Best Car Under £10,000' in the influential broadsheet newspaper's annual automotive awards.

The Telegraph Media Group has once again picked its favourites from the UK new car market, with Volkswagen's great value up! city car triumphing in its class. The winners have been selected by the

Telegraph's expert road test team, who over the last 12 months have put hundreds of cars through a rigorous review process including everything from early first drives to a detailed 10-point test, as well as living with the cars on a long-term test basis.

Naming the up! as the Best Car Under £10,000, the judges said: "Yes it's been around for a while and others in this class are cheaper to buy, but the up! has a classy interior, is brilliant to drive and will hold on to its value better than rivals."

The up! is one of the five key pillars of the Volkswagen portfolio in the UK alongside new Tiguan, Polo, Golf and Passat,

and the current car has been a popular addition to the range since its launch here in 2012. Last year, more than 16,900 new up! hatchbacks found homes in the UK.

The current car is offered with a 1.0-litre naturally aspirated three-cylinder 12-valve petrol engine with outputs of either 60 PS or 75 PS, or as an all-electric e-up! with zero emissions and a range of up to 93 miles on a full charge.

The model line-up comprises entry-level Take up!, Look up!, Move up!, High up! and special editions Club up!, Street up! and Rock up!. Prices for the current car begin at £8,975 (RRP OTR).

Nissan introduces the Qashqai Black Edition SV

NISSAN is pleased to introduce the stylish new 'Black Edition' to the Qashqai line-up. A new flagship specification for the range, the Black Edition is the first Special Version of Qashqai available since the model was launched in 2013. Offered in a limited production run, the Black Edition is on sale now and priced from £27,310 OTR.

Based

on the generously equipped Tekna grade, Black Edition enhancements include 19" Black Ibis alloy wheels, Pearl Black metallic paint, front and rear styling plates and 'Black Edition' badged door entry guards.

The model also gains the sleek Panoramic Roof with one-touch shade, making it the only Qashqai with a glass roof as standard – typically a £400 option

on Tekna models.

Nissan's suite of advanced safety and driver assist systems – collectively known as Nissan Safety Shield – are included on the car as standard. These include Lane Departure Warning, High Beam Assist, Traffic Sign Recognition, Forward Emergency Braking, Blind Spot Warning, Moving Object Detection and Driver Attention Alert.

Additional specification includes full black leather upholstery, Intelligent Park Assist, bi-LED headlights and the state-of-the-art Nissan Connect infotainment system. Based around an integrated seven-inch high-resolution touch-screen, it includes DAB digital radio and satellite navigation. Nissan's pioneering 360° Around View Monitor – to help with low-speed manoeuvres – is also fitted as standard.

The Qashqai Black Edition is powered by the frugal yet refined dCi 110 6-speed manual 2WD, which delivers 70.6mpg combined fuel economy and CO2 emissions of just 103g/km.

Kieran McMenamin, Section Manager for Qashqai at Nissan Motors GB Ltd., commented: "Top-grade Tekna versions represent around one in three Qashqai purchases and recent reveals like the Qashqai Premium Concept identify a desire and demand for Qashqai to extend towards the higher end of the segment. As a new flagship for the range, the Black Edition is the definitive statement for Qashqai – luxury styling and generous specification but maintaining an accessible price point. In fact, at just £450 more than the equivalent Tekna, the model represents around £1200 in savings compared with individual Option prices on Tekna models."

Kodiaq kicks off Škodas's SUV campaign

MLADÁ Boleslav / Skodje, 7 July 2016
 — ŠKODA has kicked off its major SUV campaign with the new Kodiaq. The 4.7m long SUV is a versatile all-rounder. It offers the largest boot capacity within its class and will be available with the option of a third row of seats. The Kodiaq places a new brand emphasis on infotainment, assistance systems and connectivity, and goes on sale at the beginning of 2017.

With the Kodiaq, ŠKODA is entering a new market segment that is growing quickly across the world – the large SUV class. With this campaign, the brand wants to engage new customer groups, increase its market share and further strengthen its position in international markets. The ŠKODA Kodiaq demonstrates where ŠKODA stands today, and points to its future – with a variety of new technology and future-oriented features in terms of connectivity, including mobile online services.

"Our new ŠKODA Kodiaq SUV is a great all-rounder", said ŠKODA CEO, Bernhard Maier. "It combines an active sense of vitality with the brand's classic qualities – a high degree of functionality and an outstanding amount of space. As always, in the design process we have focused on offering a little bit more car, and as a result, the best vehicle in the segment. In addition, with its emotive design, the ŠKODA Kodiaq is a strong presence on the road."

Full of character: transfer of design language into the SUV segment

Even at first glance, the ŠKODA Kodiaq is a true ŠKODA: with a design that is full of character and emotion,

it brings the brand's new design language into the SUV segment. In day-to-day use, it offers a variety of qualities for family, leisure and business. Whether as a five- or seven-seater, the ŠKODA KODIAQ has plenty of space. With a capacity of up to 2,065 litres, the five-seater boasts the largest boot within its class. Adjustable rear seats come as standard, with backrests that can be tilted as required.

Ease of use, outstanding quality and the 'Simply Clever' philosophy are ŠKODA's defining characteristics. The ŠKODA Kodiaq introduces new and extraordinary concepts, including door-edge protection that deploys automatically to avoid damaging the vehicle in garages or car parks. There is an electric child safety lock for the youngest passengers, as well as a sleep comfort package with special headrests for long trips.

At the top of the segment: connectivity solutions

With innovative connectivity solutions, the ŠKODA Kodiaq is at the top end of its segment. The infotainment elements originate from Volkswagen Group's second-generation Modular Infotainment Matrix. They offer numerous functions and interfaces, and are all equipped with capacitive touchscreens. The top-of-the-range Columbus and Amundsen systems come with a WiFi hotspot. As an optional extra, there is an LTE module for the Columbus system – which establishes an internet connection using the fastest mobile communications standard currently available. Passengers can use this to browse online content and send emails using

their mobile phones or tablets.

The new mobile online services from ŠKODA are compatible with LTE, and are divided into two categories: the Infotainment Online services provide information and navigation, and the Care Connect services provide breakdown and emergency assistance. An eCall emergency button, which will be required for all new cars in Europe from 2018, is already now part of the Care Connect service. Other online services run via the ŠKODA Connect app. They can be used to check, configure and find a car from afar via a smartphone.

The ŠKODA Kodiaq reaches a new level when it comes to the intelligent pairing of car and smartphone. The SmartLink platform, with Apple CarPlay, Android Auto, MirrorLinkTM and SmartGate, is optional for the entry-level Swing infotainment system but a standard feature for the more advanced infotainment systems. A Phonebox with inductive charging connects the smartphone to the roof aerial and charges it wirelessly.

Reliable support: driver assistance systems

The ŠKODA Kodiaq features a wide range of driving assistance systems. The Area View cameras, new for ŠKODA, display the car's immediate surroundings on the monitor. When a trailer is attached to the large SUV, the Tow Assist system takes over manoeuvring when reversing slowly. The new predictive pedestrian protection function compliments Front Assist. Parking Distance Control with braking function, also new, provides support with parking manoeuvres –

the Kodiaq brakes automatically as soon as it detects an obstacle.

Additional driver assistance systems are also available for the ŠKODA Kodiaq. They keep the car at a safe distance from vehicles in front, make it easier for the driver to change and stay in lane, alert the driver to important traffic signs and assist when parking.

Powerful and agile: engines and chassis

When the Kodiaq launches at the beginning of 2017, it will be available in a choice of five engines: two TDIs and three TSIs. The most powerful petrol engine, the 2.0-litre TSI, provides dynamic driving performance with a power output of 132 kW (180 PS); it works just as efficiently as a lower capacity powertrain thanks to a newly developed combustion process.

A range of transmission options are available – six-speed manual gearbox, DSG transmission, front-wheel drive and all-wheel drive. The large

SUV from the Czech Republic negotiates all types of roads in a balanced and comfortable, yet dynamic and nimble way. The driving experience becomes even more appealing when the car features Driving Mode Select and Dynamic Chassis Control (DCC). Using these, operation of the steering, accelerator, DSG transmission and suspension can be configured in multiple modes.

The new ŠKODA Kodiaq feels

equally at home on rough terrain. Upon reaching the end of the road, an off-road mode supports the driver when using four-wheel drive. At the touch of a button, all the relevant systems – engine management, assistance systems, electronic chassis systems, such as ABS and ESC, as well as the suspension if combined with the optional DCC – automatically adjust to off-road conditions.

Junior Summer Camps

SEATON Tennis Club is running junior summer camps over the next few weeks from 26th July to 13th August on Tuesdays from 1pm-4pm and Thursdays 10am -1pm for under 8 year olds and from 10am to 4pm for 9 year olds and over. These fun-filled coached sessions are bookable in advance - £15 members £16 guests.

On Saturdays there will be 2 hour drop-in sessions from 10am -12pm - no need to book in advance. £10/£11.

The camps will also run in the last week of summer holidays same days and times from 30th August. To book a place on any of the coached sessions or to ask about playing tennis at Seaton, contact Jason Martin, Head Coach, on 07931-743168 or email jas@jasonmartinsports.com.

Meanwhile adult activities continue as the league teams are busy playing other clubs as far afield as Torquay and Okehampton. The Ladies A team continues to perform well in the top division, the B team is moving up Division 4 while the Men's B team is in fourth place in Division 7 of the Exeter & District Tennis League. The Mixed A and B teams are currently leading their divisions in the East Devon League with the Mixed C team holding third place.

The annual club tournament is progressing well towards the Finals Day this Sunday 17th July. Junior members succeeded last year in several events and a few are heading for finals again.

Seaton Tennis club runs more club sessions for its members than any other tennis club locally - 5 mid-week and 2 week-end mixed club sessions run every week all year round. There are 8 teams playing in the local summer leagues and the club has an active social scene with lunches and suppers, quiz nights, themed tournaments with barbecues and tennis weekends and holidays.

For information about Seaton Tennis Club, please visit our website www.seatontennis.net or contact Membership Secretary, Jeremy Warner on seatontennis@gmail.com or 07973 506312.

Tough conditions for Corn Du and Pen y Fan race

AXE VALLEY RUNNERS with Dave Mutter
FOR the Brecon Beacons National Park on July 9, the Met office warned of "Gales across the summits" and "Periods of hill fog above 300 metres", however this did not deter the runners waiting on the start line in driving rain for the annual Corn Du and Pen y Fan fell race. It's a 'short' race up the two highest mountains in southern Britain, packing nearly 2000 feet of ascent into 3.5 miles. Organisers are so confident that the record time set in 1992 is unbreakable the 2016 prize for breaking the 30:00 minute record is £1000. Fortunately, this year the winning time was 37:55. With no route markers, runners rely on good weather, local knowledge, map and compass, and crossed fingers! With driving rain, low cloud and severe wind gusts there were a few injuries on the fast returning steep, grassy, slippery slopes. Much relieved that he was not one of the casualties, Richard Hale finished strongly 2nd V60 in 57th place. A swift descent from Pen y Fan in 16:18 minutes meant a total time of 58:38. The race organisation in the difficult conditions was much appreciated as was the post-race cake and a fine bottle of Brecon Ale.

It was a busy weekend for Flo Swan who, on Saturday, competed in the National Super Series Triathlon at Dorney Lake near Windsor finishing a very creditable 6th in the 17-18 girls. Then it was an early start on Sunday to get to the Plymouth Aquathlon where she was first girl in the 750 swim/5.25K run clinching the SW Triathlon Junior Championship in the process. Also competing were Jake Smith and Ollie Caute who finished 1st and 3rd respectively. Malcolm Greenslade led the boys out of the swim but was very soon overtaken by the lads but finished 1st over 50 and first overall in the seniors.

Six AVR's tackled the 13km Maverick Original extreme trail race at the stunning wooded gorge of Fingle Bridge. The first 2km along a quick stony path with a slight gradient was followed by a long steep climb up the side of the gorge and onto the wooded trails that weaved up and down. At 8km a long descent took us to the welcome nutrition station as the sun began to shine and the day warmed up. A flatish section alongside the river took us to the river crossing familiar from the Drogo 10, and a climb on stony path, cambered road and grassy trail to the top of the gorge, a welcome breeze and amazing vista. Then the race marker at 12.5km - 2km to be a Maverick so really a 14.5km run! Mike Clark had set off quickly to

finish 5th male in 1:17:24. Canny Hart and Gillian Peach encouraged each other to finish 9th and 10th women in 1:38:53. Robert Kerr (just behind the first 4 finishers of the 22km run) in 1:59:27, and Vicky Hiron and Paul (bionic knees) Lloyd kept company with 2:27 finishes. Exhausted but exhilarated, tea and cake were taken a race t-shirts put on.

Six senior Axe Valley Runners - only one of them under 60 - entered the 10th Otter Rail and Trail 10K race. Starting and finishing at Tipton St. John playing fields the race is fast and predominately off road taking in part of the old railway spur to Sidmouth. The race was won by Sam Hopton of South West Road Runners in 36:29. Graham Newton was the first AVR back 26th, 45:26 and first M65 followed by Alan Morbey 70th, 51:28. Angela Kerr was 100th, 56:36 and first F65, John Mellodew 145th in an astonishing 1:01:39 and first M75. Sue Venn finished 157nd 1:04:19 and 3rd F65 with Martin Kerr 169th in 1:06:45. All finishers received a celebratory 10th anniversary medal and (more importantly) a bottle of Otter Ale! There were 196 finishers.

In the junior Jackie Box Fun run, Tom Perry was 3rd overall whilst Holly Eyre was 1st girl. Thanks go to Jo Earlam and Sidmouth Running Club for yet again staging such a superb and well organised event.

HONITON RC with Judy Davey

HONITON Running Club hosted the Woodland Relays held at Escot last Wednesday. This was a competition between invited running clubs including The Met Office, Axe Valley Runners, Exmouth Harriers, Pure Endurance Tri Club, N1 and Sidmouth as well as some other random combinations of runners. Teams of three compete against each other with adults and children running exactly the same route and at the same time.

The N1 men were overall victors with Pure Endurance Tri winning the mixed team and Exmouth Harriers winning for the ladies. Honiton's Three Stooges won for the male vets and Honiton Lady Vets won the lady vet prize. Several primary schools entered their own teams and this prize was won by West Hill. Honiton Junior Boys also won the under 15 category. A great evening full of fun with thanks going to Roger Saunders as Race Director and main organiser of the event.

Last Saturday, Honiton RC had a great turn out for the

10th anniversary running of the Otter Rail and River Run which is based at Tipton St John. This is a fairly flat multi-terrain run which boasts fast times for an off road run. The race was won by Sam Hopton in 36 minutes 29 seconds and the first back for Honiton RC was Chris Entwistle who came 13th in 42:22. Alasdair Moffett followed coming 18th in 43:48 and then came Steve Davey who was 25th in 45:15. Richard Harris came 29th in 46:04 ahead of Howard Bidmead who stormed round to come 31st in 46:14 and he was followed closely by Mark Dallyn 3 places and 23 seconds later. Sherrie Hair was the first Honiton lady to return managing to win her age category in the process. She came 36th in 46:52. Vernon Gillard was pleased with his race especially as he managed to overtake Judy Davey and Esme Moffett in the last ½ mile. Vernon came 47th in 48:29 and hot on his heels was Julie Payne who had also overtaken Judy and Esme at the same point. Julie did especially well considering she had fallen over early on in the race. She was 2 places and 4 seconds behind Vernon with Judy coming 54th in 48:58 with Esme 1 place and 8 seconds behind her. Pippa Westall was next back coming 64th in 51 minutes. Lynn Pike had a great run finishing 86th in 54:30 with Jennie Sleeman just 3 seconds behind her with Jennie winning her age category. Asilah Jarraled followed coming 104th in 56:56. Teresa Pollard followed in 144th place in 1:01:25 just 2 places and 14 seconds ahead of Kathy Layzell. Carol Turnham completed the Honiton line-up in great style coming 159th in 1:04:28. There were 196 finishers.

Good turn out for Mixed Open Greensomes

HONITON

with John Pawley

Mixed: Around 134 mixed pairs turned out in initially poor weather on Sunday last for the Mixed Open Greensomes competition. Players from far and wide took on the course in the wet conditions which improved markedly later on. The usual local clubs like Sidmouth and Axe Cliff took part, and there were also entries from Carrickvale near Edinburgh, Fulwell near Richmond, Mullion in Cornwall and several from the Bristol area. The winners didn't have to travel far though, Honiton's Ron Graham (on good form particularly in mixed events recently) and Sarah Loader winning with a score of 41 pts. Another local pairing of Ross Latcham and Cathy Uttley came second with 39 pts and Bob Barnes, partnered by Daphne Moray from the Long Sutton club, claimed third prize. Simon Martin and Lesley Farley came in 4th with pairs from the Fulwell, Exeter and Holsworthy clubs taking the next places. The Honiton pairing of Tom and Sally Chapman took 8th prize but there were no two's.

Senior: Later that afternoon,

seven teams of four played in a mixed better ball competition with two scores to count. The winners proved to be the grouping of Vicki Rogers, Linda McLaughlin, Barry Rogers and Phil Wall who achieved an excellent 86 points. The team of Stephani Barnes, Rosemary Whiteley, Bob Barnes and Terry Linsdell came next with 84 points.

THE Senior section staged a three man Hassle on Monday as a warm up before their annual Invitation Open on Wednesday. Twelve three-man teams entered the event which was keenly contested. The early morning group led by Jonny Bloys set the pace with a stunning score of 58.50. This proved to be unassailable as successive teams returned scores in excess of the 60 benchmark, despite Martin Bargery registering his first hole in one on the 9th hole.

Result:

1. Jonny Bloys; Alan Keegan & Tony Stenhouse 58.50
2. Chris Basterfield; Nobby Hodder & Trevor Dobson 60.80

3. John Livens; Martin Bargery & John Bonney 61.0

The Senior's match team also played Fosseway on a home and away basis on Monday and Tuesday, and were buoyant after their 3 - 2 win at the expense of Vivary Park last week.

Honours were even as the home leg was won by the Saints team by four games to two, and the Fosseway Seniors reversed the score at their course in Radford.

The fine weather was a relief to the Seniors on Wednesday as 110 golfers from Somerset, Devon, Cornwall, Dorset, South Wales, Gloucester and Wiltshire entered the 4Ball better ball competition sponsored by Scott Rowe, the local solicitors. With the course looking and playing at its best, most of the teams scored well. Of the 29 visiting teams, a fine score of 43 points was recorded by Mike Banfield and Mike Lock, representing Long Sutton. This was beaten later in the day by a single point by Steve Dunn and Steve Wickham representing Weymouth, and at the final game, the Taunton & Pickering team won the honours with 45 points.

There was a tight finish within the 26 Home teams which was ultimately claimed by Stuart Pope and Alan Chance who amassed 42 points, the same as Danny Dowell and Alan Keegan who had an inferior back 9.

Results:

Visitors:

1. Mike King & Tony Chedzoy (Taunton & Pickering) 45 points
2. Steve Dunn & Steve Wickham (Weymouth) 44 points
3. Mike Banfield & Mike Lock (Long Sutton) 43 points
4. Cosgrove & Docharty (Yeovil) 43 points
5. Atkins & Griffiths (Minehead) 42 points

Saints teams:

1. Alan Chance & Stuart Pope 42 points
2. Danny Dowell & Alan Keegan 42 points
3. Steve Holt & Paul Bennett 41 points

The Captain, Nick Hill presented the prizes and thanked all the organisers, especially the ladies for all their assistance in making the day memorable. He thanked the sponsors for their contributions and indicated that his charity would benefit by about £300.

THE Mens Section played their July Medal matches and Gavin Walker scored a net 74 to win the Div.1 match with Anthony Hellier coming in 2nd with a net 75. Div.2 was won by David Morgan on the back 9 count-back with a net 73 and Steve Anning took 2nd place, also with a net 73. Three 2s were recorded, one by Simon Vincent, and also by Mike Rymer and Nigel Pritchard.

The Ladies section golf scores matched some brilliant weather for their Medal Competition and Axe Cliff Cup 3 match. Stella Thompson scored lowest with a winning net 77, Margaret Kenchington came 2nd with a nice net 79 and, Jo Donnell took 3rd with a net 82. The Axe Cliff ladies did not play their best in their last away match, losing 5 games to 1 at Sparkwell, but fortunately, there was no Lynx on the Links. (sorry!).

The Ladies Captain Margaret Kenchington, raised £300 for her favoured Charity, "Devon Free-wheelers Emergency Voluntary Service" by playing 18 holes at Sidmouth golf course and, then trekking nearly ten miles up hill

and down dale over the cliffs back to the Club House at Axe Cliff Golf Club where, many Club Members were there to greet and congratulate her Fund Raisers success. The event was celebrated by all with a buffet in the Club House and singing and dancing to 60s music provided by popular local songstress, Mary Bowles.

The Seniors section played for the Harris Tankard with a very competitive field of golfers and a count-back was needed to separate 2nd, 3rd and 4th places, each returning a score of 35 stableford points. The clear winner however, with a score of 40 points, was Tony Strong (6 HC), well played Tony. The runners up were: 2nd Alan Vincent (19 HC), Bill Polley (15 HC) and Rob Heard (14 HC). Rob Heard also won the Seniors Quarterly Cup with a net score of 34. Only one 2 was recorded and that by Gerry Turner.

Jo Paves the way to Rio

HONITON'S Jo Pavey has qualified to compete in her fifth Olympic games. Despite relinquishing her European Championship title in yesterday's Amsterdam meeting, the 42-year-old achieved the required time (32:15) for the 10,000 whilst finishing in fifth place in 31 minutes 34.61 seconds on the opening night.

It is now down to the British team selectors to decide if Pavey, coached by husband Gavin, makes the trip to Rio next month.

Her previous Olympic record is impressive. In her debut in 2000 in Sydney she ran a then PB to reach the 5000M final where she finished 12th.

At Athens in 2004 Pavey was knocked out in the heats of the 1500M but finished 5th in the 5000M final just shy of collecting that elusive first Olympic medal.

The move up to 10,000M brought a 12th placed finish in the heat of Beijing in 2008 while home advantage in the London games brought back-to-back 7th placed finishes in both the 5000M and 10,000M events.

Robins fighting off the circling vultures

DESPITE rumours to the contrary, managerless Chard Town will start the 2016-17 season in the 22-team Toolstation Western League Division One.

Club chairman Lindsey Gage was quoted on the Club's twitter page: "We would like to confirm that after a league club vote Chard Town FC will remain in the Toolstation Western League for the foreseeable future while the club progresses towards new ground facilities.

"In the meantime work is continuing to get a manager in place to take the club forward."

Anybody interested in the manager's position should call 07854 372712 for more information.

A lack of players does however appear to see the Robins' reserves team that was relegated from the Devon & Exeter League Premier division last season is almost certain to fold.

The club has been hit by the loss of a huge number of their squad who have headed off to play elsewhere following the resignation of first team manager Adam Fricker and assistant Jason 'Paddy' Behan who have taken up the reins at TWL Premier Division outfit Bridport.

In addition, Reserve team boss Stuart Parris has decided to take a break from prowling the dugout but may still pull on the keeper's gloves somewhere.

Fricker seems certain to be joined at St Mary's by, amongst others, Andy Martin,

Leigh Bailey, Jason Hutchings, Ed Butcher, skipper George Chlopek, Luke Woodland and possibly Shaun Wells-Burr and Ben Haines.

Meanwhile, Darren Hutchings has returned to Combe St Nicholas and has been joined by Jamie Barfoot while Danny Aplin is thought to be considering a move to either Seaton Town or Honiton Town in the D & E Premier Division.

There is of course also now some serious competition being mounted over at the Ilminster Town where the club's superb new facilities will be in place when new first team manager Jason Manley begins the club's quest to clinch a return to the Somerset Premier Division.

These factors, when added to the loss of keeper Scott Wells-Burr, Nathan Warren, Gary Spiller and Liam Cleal who spent last season playing in the South-West Peninsula League with neighbours Axminster Town, means Chard have been left with a shell of the squad - just nine players turned up for the initial training session run by Exeter City Academy Coach Dan Kelly last Tuesday - which finished an encouraging 3rd and 5th in the last two seasons.

Manley making moves

ILMINSTER boss Jason Manley confirmed to *View Sport* that he has definitely signed former Shepton Beauchamp skipper Doug Whitfield along with team mate Aaron Sweet and possibly striker Dan Smith.

While another front man Joe Simmons could be heading to the Rec from Combe.

◆ **TARGET:** Jason Manley (right) is hopeful of adding Shepton striker Dan Smith (left) to his new Ilminster Town squad.

◆ **ACROSS THE BORDER:** There were a large number of last season's Chard Town squad putting in the laps at Bridport's pre-season training last week.
